First Health Network - 1-800-226-5116 - www.firsthealth.com

Prescription

For your pharmacy benefit information, visit: - 1-866-798-0803 - www.paisc.com

Dental

DenteMax - 1-800-752-1547 - www.dentemax.com

Vision

EyeMed Vision Care - 1-866-723-0513 - www.eyemedvisioncare.com

Do not contact the above Networks for questions regarding your medical benefits. All medical benefit questions should be directed to the Essential StaffCARE Member Services line at 1-866-798-0803.

What if I need to have a prescription filled?

For generic and brand prescriptions, present your ID card at a participating pharmacy to receive discounts. Generic and brand prescriptions are payable based on the schedule of benefits up to the annual prescription drug maximum. To file a claim for reimbursement, save your receipt and remit to Planned Administrators, Inc. Prescription drug coverage is not provided for drugs administered during a physician office visit or hospital stay.

How Do I Locate a Doctor?

Enrolled members are encouraged to visit providers in the networks listed in order to maximize their benefit dollars. To find a participating provider or verify your current medical provider is in-network, please call or visit the network websites referenced on this page.

Do I have to go to an in-network provider?

It is not required that you go to an in-network provider. If you choose a provider who participates in the PPO network, you receive two key advantages:

- PPO discount for all services.
- The provider will file the claim to the plan.

Stretch Your Benefit Dollars

This benefit plan offers you and your family savings for medical care through discounts negotiated with providers and facilities in the First Health Network. Choosing an in-network provider helps maximize benefits. When you use an in-network provider, you will automatically receive the network discount and the doctor's office will file the claim for you.

If you use a doctor who is not part of the network, you will not receive the discount and you may need to file the claim yourself.

Prescription Drug Network

If enrolled in the Fixed Indemnity Medical Plan, you are automatically covered by the discount prescription drug program. To find a local participating pharmacy, you can visit www.paisc.com. Prescription drug benefit information can be found on the Benefits at a Glance page.
